

Skills in Person-Centred Counselling & Psychotherapy, 2012, 216 pages, Janet Tolan, 1848600941, 9781848600942, SAGE Publications, 2012

This book has already helped thousands of beginning practitioners understand the subtleties of the person-centred approach and develop skills in person-centred counseling practice. Now in its Second Edition, this step-by-step guide takes the reader through the counseling process, providing advice on how to structure and manage therapeutic work in ways which are thoroughly grounded in person-centred principles. Janet Tolan defines the key tenets of the approach - psychological contact, congruence, empathy and unconditional positive regard - and demonstrates how they are used effectively in a range of counsellor-client interactions.
